

MAKING A DONATION WITH ZERO FEES

PAY ID

PayID is free with no fees for anyone. It is embedded within your Internet Banking Platform and is extremely safe.

If you have any problems or a question, just can call Paul our Treasurer on 0458 585 808. He's stuck in lockdown so he'll be happy to chat!

PayID lets you bank transfer to your friend's mobile numbers or, for businesses, their ABN - that's our Australian Business Number registered with the corporate watchdog, ASIC.

You just decide if you use your bank's app or desktop website.

USING MY BANK APP

1. Open your bank's mobile APP and Log on to your account.
2. Go to **"Make a Payment"** ... Pay Someone (or Pay Anyone ANZ).
 - For Commonwealth 'Pay someone' is on the homepage;
 - ANZ Select the 'Payments' menu, then 'Pay Anyone';
 - For Westpac it's the big red \$ sign, then click Pay Someone;
 - NAB calls it 'Funds Transfer' and scroll straight to 'Pay to a Pay ID' and go to step 3.

If it's more comfortable you can still use our BSB: 512170 and Account number: 100333290 but bear with us PayID is much better.

RULES ON DONATIONS

1. PROHIBITED DONORS

We can **NOT** accept donations from the following people:

- a property developer;
- a tobacco industry business entity;
- a liquor industry business entity;
- a gambling industry business entity;
- any industry representative organisation if the majority of its members are such prohibited donors; and
- a close associate of a prohibited donor.
- it is also unlawful for someone to donate on behalf of a prohibited donor or for us to accept a donation we suspect is being made on behalf of a prohibited donor.

2. REPORTABLE DONATIONS:

Any donation over \$999 is a reportable donation - which means the electoral commission and any member of the public will know the name of the donor.

Please note this reportable donation total is accumulative. If someone buys a ticket to an event for \$100, then an auction item for \$850 then raffle tickets for \$60, then this accumulated amount of \$1010 is considered a reportable donation.

- Individuals making a reportable donation (over \$999) must be on an Australian electoral roll.
- Companies making a reportable donation (over \$999) donating must have an ABN

3. CAPS ON DONATIONS:

The cap for both individuals and companies is \$6700 in any financial year.

Please note again that this cap is accumulative and doesn't have to be a one off donation.

4. TAX DEDUCTABILITY:

Any donation over \$2 is tax deductible, but only to an amount of \$1500.

e.g If someone donated the maximum amount of \$6700, they can only claim \$1500 as a tax deduction. **Visit the ATO website here on political donations**

5. ANONYMOUS DONATIONS:

Definitely no anonymous donations allowed - if a donor's identity cannot be confirmed within three days of receipt, all funds will be returned to their account.
